Sub: International Conference on " Emerging Trends & Challenges in
Transformer Technology"

Dear Author,

Kindly accept our sincere gratitude and thanks for your valuable contribution /participation/support in CPRI International Conference on " Emerging Trends & Challenges in Transformer Technology" which was held on September 13th & 14th in the Scope Complex, New Delhi. Success of any event lies with the participation in that event, it is your participation as Author that made this event a memorable one.

Without your presence and financial support, the Conference would have not been successful. We were honoured by your august presence and valuable contribution towards the success of this two days event. We would like to place it in record that the continued and hard efforts of the authors enable us to bring out useful and technically rich papers for the Conference. We are thankful to you for the lively interaction and technical exchange of information took place between you and other delegates, which made the conference mutually beneficial to every one.

With our sincere and hearty thanks.

Best regards
